

----- WE OFFER 100% REFUND FOR THE FIRST YEAR YOU HAVE YOUR PUPPY! -----

Please Read The Contract Carefully! You Must Fulfill These Obligations, As Explained Herein Or This Health Guarantee Will Terminate And Become Null And Void.

NOTE TO PURCHASE OF GOOD FAITH: All canines have the potential for genetic or congenital disease. Unfortunately, due to the nature of some diseases, they can not always be eliminated. It is the job of the Breeder, through selective breeding, to try and minimize (not eliminate) these conditions -- in good faith. Please read, to your full understanding, the following sections of this Sales Agreement and Genetic Health Guarantee concerning any contagious or hereditary defects. Must Be MoBulls LLC shall hereinafter be referred to as the Breeder. The original purchasing party, and solely the original purchasing party shall hereinafter be referred to as the Purchaser

By Your Signature below, You Acknowledge And Agree To Each Section Of This Contract.

A deposit will hold your puppy until it is ready to go to its new home. Full payment must be cleared before the puppy will be released. If the Purchaser is unable to complete the sale the deposit can be applied to another puppy of the Purchaser's choosing, the Purchaser will have an unlimited time in which to utilize the deposit but acknowledges that puppy prices are subject to change. There are no refunds of deposits unless the puppy is found to be unfit for sale by our veterinarian. Pet Insurance Requirement: Your puppy comes with a complimentary 30-day Trupanion insurance offer. You will receive the activation information before your puppy arrives. You must activate this insurance within 24 hours of your puppy's arrival to ensure this guarantee remains active. While you are welcome to choose any insurance provider you prefer, this initial Trupanion offer provides immediate protection during your puppy's transition to your home.

The Purchaser must have the puppy examined by a licensed veterinarian within 5 business days of receipt of the puppy. A copy of the examination results must be sent to the Breeder by email within 6 days of receipt of the puppy, failure to provide examination results will render this Sales Agreement and Genetic Health Guarantee null and void. The Breeder will not accept any examination(s) performed or diagnosis' given by/from any Banfield Veterinary Clinic, VCA Animal Hospital or Blue Pearl Specialty.

The Purchaser agrees that the dog will be kept in appropriate conditions for its welfare and health. It will be fed a suitable diet for its age and condition, have appropriate exercise and not be allowed to become obese. It will receive all necessary veterinary care to maintain its physical good health. The dog will not be neglected, abused or maltreated in any way. In order for the Sales Agreement and Genetic Health Guarantee to remain in effect, the Purchaser must keep receipts and records to verify that they have regularly taken the puppy to a licensed veterinarian for checkups and all required immunizations. If the Purchaser does not follow through with immunization requirements and regular veterinarian visits the Sales Agreement and Genetic Health Guarantee will be void.

The Purchaser agrees that under NO circumstances will this puppy/dog ever be released to a rescue or shelter, in the event the Purchaser can no longer keep or care for the dog the Purchaser agrees to return the animal to the Breeder at the Breeder's expense, no refunds of the original purchase price or costs incurred will be given. Breeder will make arrangements for return.

The Sales Agreement and Genetic Health Guarantee does not cover any treatable conditions such as, but not limited to Intestinal Parasites (Coccidiosis, Giardia, Tapeworms, Hookworms, Roundworms or Whipworms) that are common in puppies due to their nature of licking/mouthing everything.

The Sales Agreement and Genetic Health Guarantee does not cover Kennel Cough, Pneumonia, Ear or Skin Mites, Mange (Demodectic, Sarcoptic or Cheyletiella), Cherry Eye, Allergies (food, environment or skin), Herniation (Inguinal, Umbilical, Peritoneal or Diaphragmatic), Stenotic Nares, Small Trachea, Elongated Soft Palate, Undescended Testes, or Luxated Patellas grade 1-2. This Sales Agreement and Genetic Health Guarantee does not cover any veterinarian costs associated with spaying or neutering, including undescended testes. This Sales Agreement and Genetic Health Guarantee does not cover elective surgeries. The Breeder does not guarantee against non life threatening illnesses common to puppies.

If said puppy is found to have a life threatening genetic or congenital defect within 365 days of arrival to the purchaser, a statement from a licensed veterinarian of Purchaser's choosing confirming such an event and cause is

required before any action will be taken by the Breeder. The Breeder reserves the right to request a second opinion by a veterinarian of Breeder's choosing (at Breeder's expense) to determine the congenital/genetic defect. This Sales Agreement and Genetic Health Guarantee does not cover any veterinarian costs. The Purchaser is aware that owning a puppy means routine visits to a veterinarian and understands that he/she will be responsible for all payments.

This Sales Agreement and Genetic Health Guarantee covers both common and uncommon diseases of definite genetic or congenital origin that are either life threatening or severely impact your dog's quality of life. This includes:
